SWITZERLAND

E-mail : mercury.chemicals@unep.org

Subject : *Development of Artisanal Gold
Mining Action Plan in Cameroon*

Dear Mr. Payet,

Cameroon is signatory to the Minamata Convention on Mercury. Cameroon has undertaken a preliminary inventory of Mercury supply, use and emissions. It has determined that Artisanal Gold Mining in Cameroon is "more than insignificant".

According to Article 7, Para 3 of the Convention, Cameroon informs the secretariat accordingly.

Hele Pierre
