Monika Stankiewicz
Executive Secretary

Secretariat of the Minamata Convention on Mercury

Subject: Submission of information on facilities that use mercury or mercury compounds as per Article 5, paragraph 5(c)

Dear Monika Stankiewicz,

Based on Article 5, paragraph 5(c) of the Minamata Convention, Hungary would like to inform the Secretariat that there are no facilities that we are aware of, using mercury or mercury compounds for processes listed in Annex B within its territory as of the date 2 February 2021.

Budapest, 2 February 2021

Yours sincerely,

.....
