CONVENTION
ON MERCURY**

PART 2: CSF'S MINING IMPACTS CALCULATOR: ADDRESSING THE IMPACTS OF ILLEGAL GOLD MINING IN THE BRAZILIAN AMAZON

Join Pedro Gasparinetti, Brazil Director of Conservation Strategy Fund (CSF), in a presentation on the landmark [Mining Impacts Calculator](#), developed by CSF in collaboration with the Federal Public Prosecutors' Office of Brazil to easily and efficiently calculate the estimated monetary value associated with the impacts of illegal gold-mining activities. Pedro will also share details from his team's recent [methodological assessment](#) on the impacts on human health resulting from these mining operations.

LIST OF SPEAKERS

- Pedro Gasparinetti, Brazil Director at Conservation Strategy Fund

FRIDAY, 11 MARCH 2022
